## About our Rooms

### Spruce Room

For the family who needs more than just a place to sleep, this room will be perfect for your needs. It offers a full cooking kitchen with a range, refrigerator, double sink and beautiful cabinets with lots of counter space; a table and six chairs in the living, dining area with a sofa and a built in desk as an added plus. It also features 2 roomy private bedrooms with 2 full beds and large closets.

### Cottonwood Room

This room has all the essentials. The combination of kitchenette, beds and sofa, offers a welcome touch of the comforts of home. The bathroom has a tub/shower combination for a quick shower or

hot relaxing bath. It has a vanity and dressing area as well as a large closet. Enjoy the view of the cottonwoods as you eat meals, write home or just relax in the comfort of the quiet country atmosphere.

### Aspen Room

It's a winning combination, a living room by day with two comfortable wing chairs; a bedroom at night with a large roomy queen size bed; and a kitchen-dining room at mealtime. It also features a large vanity and dressing area separate from the bath.

### Aspen Plus Room

This room is designed for efficiency. It offers a private bedroom with a full size bed. The kitchen living room combination has a table & chairs, microwave, small refrigerator and sink, and doubles as a bedroom at night with a queen bed. The bath is separate from the dressing area, which features two sinks and a large luggage shelf in the closet. A popular choice for a guest whose stay is brief or extended.
